THIS DOCUMENT IS NOT A BUILDING PERMIT

Address: _____

Subdivision: _____ Lot# _____

I _____ a property owner in OAK PARK CONSERVANCY
(Print Name)

DISTRICT located within the CITY of JEFFERSONVILLE have presented / discussed my plans with

Amy Burton to build a _____ on my property.
(Oak Park Employee) (Description)

I have been made aware that per the General Requirements listed in Resolution #2005-04:

- 1. No Individual Parcel / Property Owner shall allow on their property:
a. The obstruction of any utility or drainage easements.
b. The drainage way to become blocked by vegetative growth.
c. The drainage way to be restricted by any fence or other manmade object.
d. Allow anything to be constructed in the drainage way.
e. The grading within a drainage way to be changed in any way that results in the restriction of or the ponding of storm-water.
f. The accumulation or dumping of trash, debris or yard waste that would pollute, contaminate or hinder the flow of storm-water in the drainage way.
2. The Individual Parcel / Property Owner shall maintain all privately owned structures adjacent to a watercourse.
3. All Parcels / Properties within the Conservancy District are subject to inspection by an Oak Park Conservancy District representative.
4. All Parcels / Properties found to be in violation of any part of the General Requirements listed in Resolution #2005-04 are subject to fines as that document dictates.

I have been made aware of the General Requirements for Storm-Water Drainage within the Oak Park Conservancy District and agree that my construction project shall not violate any part of the General Requirements listed in Resolution #2005-04.
